PERSONAL PARTICULARS**CAREER OBJECTIVE**

Senior Occupational Therapist specializing in Neurorehabilitation, Work Rehabilitation and Pre Driving assessment & training , has very special interest in Cognitive Rehabilitation. Heading the Occupational Therapy services at State of Negeri Sembilan, Malaysia. Excellent interpersonal skills, self-management and capacity to work with a variety of people and challenges are qualities that made me better Occupational Therapist. I have education, training and work experience alongside with motivation and ambition to succeed in this field. With years of experience in working with all kind of patients and also as the head of the Occupational Therapy Unit for past 10 years, I have developed communication and organisational skills and gained greater understanding and hands on experience in Neurological Occupational Therapy . Looking forward and aiming to develop comprehensive rehabilitation / care pathway for stroke population in relation to return to work and driving.
