

Dr Aznita graduated from UKM and subsequently passed MRCP(UK). Appointed as Head of Department of Internal Medicine HSAH since 2018 and among the youngest HOD in hospital. She with her dedicated team started few new clinics to enhance clinical care in department. As a team we also set up Acute Stroke Unit in HSAH and be a first government hospital in Kedah with thrombolysis service for acute ischaemic stroke patient. She is optimist person and looking forward for more expansion of new services in the department.
